KEYWORDS: I) Library finance
II) College Libraries
III) Library budget
IV) Source of finance for libraries

INTRODUCTION:

After independence, the numerous states of the us of a helped the progress of schooling in their respective regions, however the center additionally stocks a few duties in a few area of training. The valuable government is irresponsible for figuring out the same old of studies, science, technical and better training. Some Universities and establishments have come beneath direct control of the valuable government. The valuable government

The want for budgets in libraries is an increasing number of vital. The collection improvement (books and journals) that should be managed maintains to develop. There is an growing call for for on line resources and offerings. Libraries need to successfully divide budget between personnel and materials, which consist of acquisitions, offerings, and gadget. University Library economic management is becoming more decentralized. Price range have to have contingency price range for Binding and different stationery had to procedure and hold the Books/Journals.

BUDGET

Budget is described as, “an estimate, often itemized, of expected earnings rate, or running consequences, for a given duration inside the destiny.” for reason a library budget is an estimate expected profits and expenditure of the library for the approaching 12 months. finances is an estimate, consequently, may be altered, if the instances exchange. It needs to be bendy enough fulfill the changing wishes. However, alteration must be completed very cautiously. Budgeting in libraries is

usually finished on every year foundation. Alternatively an annual monetary report or assertion tells us as to what became carried out in addition to what could not be carried out closing 12 months.

1. OBJECTIVE OF THE STUDY:

The present study entitled “Private College Libraries Budgeting in the Kachchh region” is undertaken with the following objectives:

Chart 4.4

Data

Interpretation: The above table and chart shows Library Budget Last three Year (2017-18 to 2019-20). It is found that **In 2017-18** highest budget Smt VD Thacker College of Education, Gandhidham of Rs. 60000 and lowest budget Rs. 40303, Keniya and Ankarvala Smt Chandanben Hathibhai Shah Arts Commerce College, Mundra, **In 2018-19** Smt VD Thacker College of Education, Gandhidham, Dada Dukhayal College of Education of Rs. 50000 and lowest budget Rs. 9623, Keniya and Ankarvala Smt Chandanben Hathibhai Shah Arts Commerce College, Mundra, **In 2019-20** highest budget Smt VD Thacker College of Education, Gandhidham of Rs. 70000 and lowest budget Rs. 8639, Keniya and Ankarvala Smt Chandanben Hathibhai Shah Arts Commerce College, Mundra. In 2017-18 to 2019-20 highest budget Smt VD Thacker College of Education, Gandhidham of Rs. 180000 and lowest budget Rs. 58565 Keniya and Ankarvala Smt Chandanben Hathibhai Shah Arts Commerce College, Mundra.

FINDINGS :

- Smt VD Thacker College of Education, Gandhidham has the regular and highest budget in the last three years.
- while Dada Dukhayal College of Education is second in budget and Keniya and Ankarvala Smt Chandanben Hathibhai Shah Arts Commerce College, Mundra College is third.
- Apart from this, there is no provision of regular and good budget in the private colleges of Karach district.

SUGGESTIONS :

- All college libraries must be allocated a fixed amount annually. So as to meet the demands of the users.
- All college libraries should try receiving more donations from individuals or organizations and more efforts should be made to enrich libraries.
- Through this research it is known that sufficient financial funds are not allocated from the institution for the development of the library. Sufficient financial funds should be allocated from the institution for the development of the library.
- Funds should be allocated equally for the purchase of each type of reading material so that collections can be developed in libraries.
