ABSTRACT:

Women's empowerment is important for achieving social justice. Women and girls often face violence, discrimination and other forms of oppression because of their gender. Empowering women can help create a more just and equitable society for everyone. The empowerment and autonomy of women and the improvement of their political, social, economic and health status is a highly important end in itself.

The present paper is an attempt to highlight the contribution of Mr. Sharadchandra Pawar in women empowerment in Maharashtra. Only secondary data was collected from various resources for the research. It is concluded that, TheSharadchandra Pawar made a great contribution to the overall development of women by establishing the Women's Reservation, Women Commission and the Women and Child Welfare Department. Women were given jobs in the defense sector due to Mr. Pawar. He has played a significant role in the improvement of women's education and health, especially in rural areas.

KYE WORD: *Women, Empowerment, Pawar, Education, Development.*

INTRODUCTION

Women's empowerment is the process of improving women's status in society, including their political, social, educational, economic and medical standing. It's also about giving women equal chances as men Women's empowerment is important for achieving social justice. Women and girls often face violence, discrimination and other forms of oppression because of their gender. Empowering women can help create a more just and equitable society for everyone. The empowerment and autonomy of women and the improvement of their political, social, economic and health status is a highly important end in itself. In addition, it is essential for the achievement of sustainable development.

Mahatma Jyotirao Phule laid the foundation of women empowerment in Maharashtra with the help of Savitribai Phule. The Chhatrapati Shahu Maharaj contributed in to women education and by making various laws for women. Dr. Babasaheb Ambedkar, Pandit Jawaharlal Nehru has contributed a lot in women empowerment. Mr. Sharadchandra Pawar is mainly taken among the individuals who have worked in a development of women, education, health, business and organization of women.

OBJECTIVE

The present paper is an attempt to highlight the contribution of Mr. Sharadchandra Pawar in women empowerment in Maharashtra. Which is lead to social, economic, agriculture and rural development within the Maharashtra.

DATA COLLECTION AND METHODOLOGY

Only secondary data was collected from various resources like books, newspapers, published papers, government document, internet and speeches delivered on Mr. Sharadchandra Pawar.

ANALYSIS AND DISCUSSION

Mr. Sharadchandra Govindrao Pawar is born on 12 December 1940, popularly known as Saheb. He is an Indian politician while also supporting the right of women and labors. He is a politician whose contribution to social, economic, political, sports, art and agriculture development of Maharashtra and India. The main goal of present paper is study the contribution of Sharadchandra Pawar in women empowerment is following

WOMEN DEVELOPMENT POLICY

On Mahatma Phule's idea of equality between men and women, Dr. Babasaheb Ambedkar got equal rights for men and women in the constitution. Even so, women were left out of the overall development. On June 20, 1994, Mr. Sharadchandra Pawar announced India's first socially transformative and revolutionary women's policy, which leads in a new dawn of empowerment and equal opportunity in the lives of women in Maharashtra. He laid out a policy for the all-round development of women

WOMEN RESERVATION

Women have a better understanding of social issues and better representing giving them an opportunity to address these issue. It was a matter of great Pride that Maharashtra was the first state two introduces 33% reservation under the leadership of chief minister Pawar for women in the local bodies in the year 1990. There were many people who opposed it at that time. Even today there is demand to reservation 50% seats. Demanding that the long pending women's reservation Bill be immediately passed in the parliament, he said that NCP fully supporting it in its current form.

WOMEN COMMISSION

When, the Chief Minister of Maharashtra Mr. Sharad Chandra Pawar established the Women's Commission in 1993 to address the injustice and oppression of women and to get justice for them. Through this commission, the injustice against women was broken and women got justice through this commission.

WOMEN AND CHILDREN DEPARTMENT

In 1993, when Sharad Chandra Pawar was the Chief Minister, the Women and Child Welfare Department was established as an independent administrative department in the cabinet. New policies are made by them and it is very helpful for women in rural area.

WOMEN IN MILITARY

In 1991 When, Mr. Sharadchandra Pawar was the Union Defense Minister, he decided to admit women in all three forces of the army. 11 percent reservation for women in the defense department was his revolutionary decision. Today, women can be seen serving the country honorably in the defense forces.

WOMEN HEALTH AND EDUCATION

Mr. Sharadchandra Pawar, when he was MLA, Chief Minister and Union Minister, implemented various schemes for women's health and established new institutions to give women opportunities in education, helped girls in rural areas to get education through the government. He was founded education institute Vidya Pratishthan in Baramati. He dvotes time to overriding activities regularly and pioneering efforts toward spreading education and social upbringing of 25000 students During his period, ne was implemented various schemes to improve the health of women in rural areas.

WOMEN CRICKET

His contribution to women's cricket, In 2005 when women cricket was run by the women's cricket association of India. The Indian women's team had made the final of the world cup the same year the power acquired the reigns of the BCCI. Around the World happening in the world of women's cricket. When power become the head of the BCCI thought, help by directive issue by the ICC for all countries to develop women wing. With the ICC directives making thing invisible, the easy of the process was helped in no small part by the positive stand adopted by Power. Today shows the development of women cricket of India only the contribution of Mr. Pawar.

CONCUSSION

It is concluded that from above observation, Mr. Sharadchandra Pawar is not only politician he is also a writer, philosopher, thinker and popular leader in India. Mr Pawar around for extension economic and social right for women. He started that women should be given all round development importantly social education there will be and social cultural right.

Sharadchandra Pawar made a great contribution to the overall development of women by establishing the Women's Reservation, Women Commission and the Women and Child Welfare Department. Women were given jobs in the defense sector due to Mr. Pawar. He has played a significant role in the improvement of women's education and health, especially in rural areas. He has played an important role in bringing women's cricket to a prominent place in India. In this way Sharadchandra Pawar has done important work in women empowerment by implementing various activities.
